Standard of Care: Services provided by Willett, Hofmann & Associates, Inc., hereinafter referred to as "the Engineer," under this Agreement will be performed in a manner consistent with the human degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances.

Additional Services: When Additional Services beyond the defined scope are requested, an amendment will be prepared for approval by the Client prior to commencing work. Additional Services shall be performed on a time and material basis at Standard Hourly Rates in effect at the time the services are performed, or for a negotiated fee.

Billing / Payment: The Client agrees to pay for all services performed and all costs incurred by the Engineer. Invoices for services shall be submitted either upon completion of such services or on a monthly or otherwise regular or logical basis. Invoices shall be due and payable within 30 days of invoice date. Client shall notify the Engineer of any objections to the invoice within five (5) working days of receipt. Payment of any invoice indicates Client's acceptance of this Agreement and satisfaction with the services provided. Payment of invoices is in no case subject to unilateral discounting, back charges, or set offs by the Client, and payment is due regardless of suspension or termination of this Agreement by either party. Accounts unpaid 60 days after the invoice date may be subject to a monthly service charge on the unpaid balance. If any portion of an account remains unpaid after 120 days after the invoice date, the Engineer may institute collection action and the Client shall pay all costs of collection, including reasonable attorney's fees.

Termination, Suspension or Abandonment: In the event of termination, suspension or abandonment of the project, the Engineer shall be equitably compensated for services performed. The laws of the State of Illinois will govern the validity of this Agreement, its interpretation and performance. Any litigation arising in any way from this Agreement shall be brought in the courts of that State.

Construction Means and Methods: The Engineer shall not be responsible for, nor have control over or charge of, construction means, methods, sequence, techniques, or procedures, or for any health or safety precautions required by any regulatory agencies in connection with the project.

Construction Observation: When the Engineer does not provide construction observation services, it is agreed that the professional services of the Engineer do not extend to or include the review or site observation of the Contractor's work, performance, or pay request approval. In this situation, during construction, the Client assumes the role of the engineer and will hold harmless the Engineer for the failure of the Contractor's work to conform to the design intent and the contract documents.

Subject: Re: TRIAD

Hi Chuck. Attached is a tentative invoice from Tortilla Flatz. We still have people signing up for the conference so that number may go up a bit. We will also be buying drinks and cookies from Jewel, so maybe $100 to $150 there. As of now we are looking at around 75 people. Total might come in around $2,000 or so. Please let me know if there is a problem with any of these items. And of course, thanks again.

BATH FITTER:	**$9,570**

HOME DEPOT:	**$10,676**

BATH FITTER®

LIFETIME WARRANTY ON BATH FITTER MANUFACTURED ACRYLIC PRODUCTS

FOR PERSONAL RESIDENTIAL USE OF ACRYLIC BATHTUBS, SHOWERS, BATHTUB LINERS, SHOWER LINERS, SHOWER BASES, SHOWER FLOORS, WALLS, CEILINGS AND BATHROOM ACCESSORIES MANUFACTURED BY BATH FITTER MANUFACTURING INC. (the **"Manufacturer"**) (collectively, the **"Product(s)"**).

The Warranty and Its Duration: The Manufacturer warrants the Products for personal residential use against defects in materials and workmanship for the reasonable expected service life of the Products under normal conditions of usage and care. This warranty applies only to Products installed in the United States or Canada. The warranty period is not extended if Manufacturer repairs or replaces a Product under this warranty.

Who is Entitled to This Warranty: This warranty extends to the original purchaser of the warranted Products and to each new owner of the property where the Products were initially installed (**"You"**).

What is Covered by the Warranty: This warranty applies only to defects in materials or workmanship in the Products. This warranty does not apply to other products or services.

What the Manufacturer Will Do Under This Warranty: If a defect arises and a valid claim is received during the term of the warranty, Manufacturer will, at its option, either repair or replace the defective Product free of charge. The decision whether to repair or replace is determined by Manufacturer in its sole discretion. If Manufacturer chooses to repair a defective Product and it cannot be adequately repaired after a reasonable number of attempts, You may choose a replacement of the Product or component part at no charge, or a refund.

EXCLUSIONS AND LIMITATIONS

1. This warranty **does not** apply to commercial installations, but only to Products installed in premises owned or co-owned by You where You live on a regular basis.

2. This warranty only applies to Products purchased after June 5th, 2023.

3. This warranty only applies to Products purchased through, and installed by, (**"Installation Project"**) a Bath Fitter® corporate branch owned and operated by an affiliate of Manufacturer or an authorized Bath Fitter® franchisee of Bath Fitter Franchising inc. (each, a **"BF Retail Location"**).

4. This warranty does not apply to defects or damage caused to Products by non-genuine Bath Fitter® parts, installation error, Product abuse, Product misuse, use of Products for other than their ordinary purpose, damage caused by You or others, accidents, "Acts of God" or other circumstances beyond Manufacturer's reasonable control, wear from normal conditions or natural ageing, failure to follow Product instructions, failure of sealants/silicone, improper maintenance, care or cleaning (including use of harsh chemicals, solvents or corrosives, harsh abrasives, or harsh scrubbing), improper or unauthorized repair, modification, installation or alteration, or movement or transfer of the Products from their original installation location (whether performed by You or any third party, including a plumber, contractor, or other service provider). Because improper care and cleaning can cause significant damage to the Products, You must follow the instructions of the Bath Fitter® **List of Household Cleaners** to be found at *www.bathfitter.com (click on "Help", select "Maintenance" and click on "List of authorized household cleaning products")* as the same may be amended or replaced from time to time (**"Approved Cleaners List"**), and You must use exclusively the cleaners listed on the Approved Cleaners List. Use of cleaners not on the Approved Cleaners List or use of a cleaner on the Approved Cleaners List contrary to manufacturer recommendations or the instructions on the Approved Cleaners List, may void the warranty.

5. This warranty covers only repair or replacement of Product units of an Installation Project with a manufacturing defect and does not cover repair or replacement of other Product units of the same Installation Project that do not have a manufacturing defect, nor does it cover any other components of that Installation Project. Due to the nature of Products color-blending, Manufacturer cannot and does not guarantee color matching of replacement Products to original Products or other Installation Project components.

6. This warranty **does not apply to** services, including any errors, problems or issues relating to the installation of the Products. You are urged to communicate with Your BF Retail Location about any problems with installation.

7. This warranty **does not cover** products other than the Products, including, without limitation, products that are not manufactured by Manufacturer, such as, without limitation, valves and hardware, grab bars, shower and tub doors, shower and bathtub trim-kits, shower rods, shower seats, moldings and trims, shower grids, shower curtains, shower rings, overflow caps, pop-up stoppers, tub drains, slip-resistant coatings and silicone caulking (collectively and individually, **"Non-BF Products"**). Non-BF Products may have the benefit of a third-party manufacturer's warranty provided by the product manufacturer. To obtain warranty service for defective Non-BF Products, please follow the instructions

BATH FITTER

included in the third-party product manufacturer's warranty or contact Your BF Retail Location for guidance. Manufacturer expressly disclaims any warranty as to Non-BF Products.

8. Manufacturer does not warrant that the Products and/or their installation comply with local building code requirements.

TO THE EXTENT PERMITTED BY LAW, THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXCEPT THOSE WARRANTIES THAT MAY NOT BE EXCLUDED BY APPLICABLE LAW. TO THE EXTENT PERMITTED BY LAW, MANUFACTURER HEREBY EXCLUDES SPECIAL, INCIDENTAL AND CONSEQUENTIAL DAMAGES SUCH AS, BUT NOT LIMITED TO, EXPENSES FOR TELEPHONE, TRAVEL, LEGAL SERVICES, DAMAGE TO PERSONAL PROPERTY, LOSS OF TIME, OR INCONVENIENCE, FOR ANY BREACH OF ANY WARRANTY APPLICABLE TO THE PRODUCTS. NO PERSON IS AUTHORIZED TO MAKE ANY REPRESENTATION OR OTHER WARRANTY ON OR ABOUT THE PRODUCTS THAT IS INCONSISTENT WITH THE MANUFACTURER'S WRITTEN WARRANTY EXPRESSED IN THIS DOCUMENT.

How Local Law Applies to This Warranty: Some US states or Canadian provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to You.

This warranty gives You specific legal rights, and You may also have other rights which vary from state to state (or province, as applicable).

How to Obtain Warranty Service: If You believe that You have a valid warranty claim, contact the BF Retail Location that installed the Products in Your home, or You may contact Manufacturer directly at:

Please be sure to provide all pertinent information regarding Your claim, including a complete description of the problem, pictures of the Product defect (if possible), and the installation address. HOME IMPROVEMENT CONSTRUCTION CONTRACT

REF # 285-MN6K92Y4-SHI

PLEASE READ THESE TERMS AND CONDITIONS CAREFULLY. THE TERMS AND CONDITIONS CONTAIN IMPORTANT INFORMATION REGARDING YOUR LEGAL RIGHTS.

1. **Contract Documents and Parties**. The contract documents consist of the "Order," the applicable "State Supplement," these "Terms and Conditions," all Change Orders (defined below), and any separate warranty information provided by Company, referred to under Section 20 hereof or available at www.bathfitter.com/warranty (collectively, the "Contract Documents"). The Contract Documents comprise the agreement ("Agreement") between you, the "Customer" and "Owner," and **Chicago Bath Systems, LLC** ("Company") for the Project (defined below). The Customer represents and warrants that the Customer is the Owner of the Project location and has authority to enter this Agreement for the Project. Customer/Owner may also be referred to herein as "you", and what relates to Customer/Owner may be referred to as "your" and/or "yours".

Name of Customer/Owner: Plainfield Township Cemetery (Print Name)

2. **Notice of Cancellation**. **UNLESS THE STATE SUPPLEMENT PROVIDES A DIFFERENT CANCELLATION PERIOD, THE OWNER MAY CANCEL THIS AGREEMENT AT ANY TIME PRIOR TO MIDNIGHT OF THE THIRD (3RD) BUSINESS DAY AFTER THE DATE OF THIS AGREEMENT. BECAUSE BATH FITTER® PRODUCTS ARE CUSTOM MADE FOR OWNER, COMPANY CANNOT REFUND OWNER'S DEPOSIT AFTER THE CANCELLATION PERIOD HAS EXPIRED IF OWNER HAS NOT DULY CANCELLED THIS AGREEMENT DURING THE CANCELLATION PERIOD. IF THIS AGREEMENT WAS SOLICITED AT OWNER'S RESIDENCE AND OWNER DOES NOT WANT THE GOODS OR SERVICES, THEN OWNER MAY CANCEL THIS AGREEMENT BY MAILING A NOTICE TO COMPANY AT THE ADDRESS PROVIDED ON THE ATTACHED ORDER FORM. THE NOTICE MUST SAY THAT OWNER DOES NOT WANT THE GOODS OR SERVICES AND MUST BE MAILED PRIOR TO MIDNIGHT ON THE THIRD (3RD) BUSINESS DAY WHEN THE CANCELLATION PERIOD EXPIRES. IF THIS AGREEMENT REQUIRES COMPANY TO AFFIX GOODS TO REAL PROPERTY, THEN COMPANY MAY NOT BEGIN WORK UNTIL AFTER THE CANCELLATION RIGHT PERIOD EXPIRES. SEE ATTACHED NOTICE OF CANCELLATION FORM FOR EXPLANATION OF THIS RIGHT.**

I acknowledge receipt of this notice from Company.

(Customer's Signature) (Date)

3. **Scope of Work**. Company shall provide the labor and materials necessary to perform the scope of work described in the Order (the "Project") As used in this Agreement, (a) "Materials" mean the raw materials, building materials, and building supplies, including sheetrock, greenboard, plywood, screws, pipes, silicone, caulking, and adhesives, used by Company for the Project, (b) "Finished Products" mean the finished physical products prepared for installation for the Project, which may include third party non-Bath Fitter© products used for installation for the Project, and (c) "Goods" mean any goods provided by Company to Owner, and may include both Materials and Finished Products. Upon Company's receipt of the signed Contract Documents and after the three (3) day cancellation period expires, Company shall make commercially reasonable efforts to promptly commence performance of the Project.

4. **Access**. Upon reasonable advanced notice, the Owner must provide Company complete use of, and access to, the Project location during regular business hours. The Owner must remove all obstacles from the Project location installation area, such as furniture and appliances, and the Owner must provide all electrical power, heat and lighting necessary to perform the Project. During the Project, Company shall properly dispose of remnants and scrap material relating to the Project. If the Owner alleges that a defect exists in either the work performed or Finished Product installed, then the Owner must (a) provide immediate notification to Company, and (b) Company must be permitted ready access to the Project location to assess the alleged defect. Any repair of the alleged defect, as ascertained by Company in its discretion will be made in accordance with Section (20) "Warranty." Failure to allow prompt access or any tampering with the Finished Products or work performed will relieve Company of any warranty obligation for the alleged defect.

5. **Existing Plumbing**. Neither Company nor any individual employee or subcontractor of Company is a licensed architect or professional engineer. Unless expressly stated in the Order, Company is not responsible for inspecting, servicing, modifying, or notifying the Owner of problems with or the current condition of (a) the structural condition of the Owner's property and Project location, and (b) the existing plumbing at the Project location, including fixtures and facilities. Because the existing plumbing at the Project location may be old, corroded, or in need of repair or replacement, Company shall have no liability for damage to the chrome finish, blocked drains, or plumbing below or behind the walls or tub, including shut-off valves, or for any damage caused by faulty plumbing such as water leaks. Company recommends replacing old fixtures when installing a new Company affiliate manufactured acrylic wall.

6. **Change Orders**. Company shall perform all work in accordance with the Agreement, unless an alteration from the Project specifications stated within the Agreement is agreed upon through a written change order signed by the Owner and Company ("Change Order"). The Change Order will contain any revision to the Contract Price. Each Change Order will become part of the Contract Documents and Agreement. A Change Order may result from unexpected conditions at the Project location that impact, impede, or otherwise interfere with the scope of work for the Project and require an increase in cost or time of work to complete the Project.

7. **Contract Price**. Owner shall pay Company the amount set forth in the Order, plus any additional amount agreed upon in a Change Order ("Contract Price").

8. **Method of Payment**. The Contract Price will be paid as stated in the Order. At the time of Project completion, the Owner shall pay to Company the total Contract Price, less the initial deposit, unless the Order specifies a different payment schedule ("Time of Payment"). If payment is not made at the Time of Payment, then (a) all discounts will be reversed and an adjusted invoice will be sent to Owner, and (b) Owner's right to any warranty will be suspended until Company receives full payment. Owner shall indemnify and reimburse Company for all reasonable collection costs associated with late payment or nonpayment, including but not limited to reasonable attorneys' fees. A late charge of 1½% per month will be added to overdue balances (nominal annual percentage rate of 18%). There

will be a $40.00 fee for any check returned for insufficient funds available. Additionally, Company hereby reserves all rights in law or and equity, including without limitation, the right to file a lien on Owner's property in accordance with Section (24) "Liens," if the Owner does not make full payment at the Time of Payment.

9. **Payment Options**. Qualified Owners may obtain third party financing for the Project. If you choose third party financing for the Project, and your application is approved, then your contract with the third party providing Project financing ("Financing Contract") will provide for an alternate Time of Payment and your payments will be made to the third party financing source. Company is not a party to the Financing Contract. The Financing Contract may (a) provide for a different monthly payment amount and term than shown in the Order, and (b) include interest or finance charges in addition to the Contract Price set forth in the Order. The option for third party financing may only be selected when submitting the Order.

10. **Permits.** Prior to the start of the Project, the Owner shall furnish, and pay for, all permits and associated charges, including without limitation, local and municipal permits required by law or any applicable regulations to perform the scope of work for the Project. Owner shall defend, indemnify and hold Company harmless from and against Losses (defined below) attributable to Owner's failure to comply with the foregoing obligation. In advance of the Project start date, Owner may request Company obtain the Project permits and licenses. If the Owner makes such a request and applicable laws and rules allow Company to pull such Project permits and licenses, then all Project permit and license fees, plus reasonable administrative costs, will be stated in the Order or Change Order and added to the Contract Price. In addition, Company may independently choose to obtain the Project permits and licenses, in which case Company shall notify Owner reasonably in advance and the Project permit and license fees plus reasonable administrative costs will be included in the Order or Change Order and added to the Contract Price. Company is not responsible for any Project permit or license related delays.

11. **Delays**. Once started, Company shall make commercially reasonable efforts to promptly complete the Project. Company does not guarantee that the Project will be completed without any delay. In addition, Company may postpone for a reasonable time the start date of the Project for any reason without liability. The completion date is approximate and subject to change based on unforeseen events including, but not limited to, inclement weather, unavailability of building materials, unprepared installation area, epidemic, pandemic, and other unexpected changes. Company shall promptly notify the Owner of any such postponement, providing the reason and the revised installation date (if any). Company shall not be liable for any delay in starting or completing the Project, including without limitation, Company shall have no liability for any reimbursement, discount, or any other type of compensation to the Owner for claims of inconvenience or any other related harm. Project postponement or delay attributable to Owner may result in additional charges by Company to be reflected in a Change Order.

12. **Force Majeure.** Company shall not be liable for any Losses (defined in Section 19 hereinbelow) or delay in connection with the Project due to delays in transportation of materials, accidents, theft, fire, labor disputes, insurrection, labor shortages, supply chain disruptions, pandemics, epidemics, acts of God, or any other cause beyond Company's reasonable control.

13. **Removal of Existing Fixtures**. Company shall not be responsible for the removal or reinstallation of the Owner's current fixtures, including, without limitation, shower doors and electrical fixtures. Company shall not be liable for any reimbursement, discount, or any other type of compensation to Owner for replacement of these fixtures or otherwise, if after completion of the Project the Owner's current fixtures no longer fit.

14. **Mold**. Mold occurs naturally in almost all indoor environments. Mold spores enter homes through doorways, windows and a variety of other ways. A Company installation may include, if expressly provided for in the Order or a Change Order, the removal of wet, loose, defective, discolored or odorous surfaces, as well as the washing of remaining bathroom surfaces with a household bleach-based solution. The Company Group (defined below) makes no representation or warranty of any kind, express or implied, regarding the presence or absence of mold, or regarding the effectiveness of any biocide designed for reducing the presence, effect, or growth of mold. Company shall not be liable for any alleged or actual failure (a) to remove or remediate existing mold, or (b) to notify Owner of the presence of any mold. In addition, the Company Group makes no representation and provides no warranty as to the presence of mold at Project location after completion, and Company shall not be liable under any theory of law for the presence of mold at the Project location.

15. **Installation.** If the Project requires repairs by Company to existing walls or other Owner property, then the parties shall execute a Change Order and the additional charges will be assessed to the Owner based upon the current Company service rates. During the work for the Project, without limitation, the following damage may occur (a) wall, floor, or ceiling damage, arising from removal and replacement of existing materials and including loosening or cracking of adjacent tiles, paints, or joints, and (b) bathtub, shower or wall tile damage, including to the grout or silicone of existing walls ("Installation Damages"). Company shall have no liability for minor Installation Damages arising from of the Project. The Owner shall be solely responsible to maintain the grout or silicone of existing walls on existing walls. Repairs due to inadequate maintenance by the Owner are not covered by the Warranty (defined below). If Company sends a technician for a service call after the Project to repair any Goods, and the service call is the result of inadequate maintenance by the Owner, then the Owner will be charged separately from the Agreement and issued an invoice according with the current service rates for Company.

16. **Colors.** The marbled colors or material patterns of Finished Products installed by Company may vary for a Project. Company does not guarantee the consistency of the marbled colors or material patterns of Finished Products for a Project.

17. **HVAC and Tub to Shower Conversions.** To prepare for a tub to shower conversion, the Owner's HVAC and drain lines may need to be moved or repaired prior to starting the Project ("HVAC Problem"). Upon discovering an HVAC Problem, Company shall suspend the performance until the HVAC Problem is resolved. Company shall have no obligation to resolve the HVAC Problem, and Company shall have no liability for the performance or cost to resolve the HVAC Problem. The Owner shall be solely responsible for the cost to resolve the HVAC Problem. If the HVAC Problem is not resolved within 10 days of discovery by Company, then the Time of Payment for work performed and material ordered will be accelerated with such amounts becoming immediately due.

18. **Company Right to Suspend or Terminate.** Company shall not be responsible for (a) compliance with any legal encumbrances, building violations, and zoning code violations, (b) the discovery, notification to Owner, or removal or repair of any (i) pre-existing asbestos, mold, lead paint, or other hazardous or toxic substance or material, or (ii) plumbing or structural deficiencies within the Owner's property (all of the above, "Owner Obligations"). Company may immediately terminate the Contract Documents without further obligation to Owner if (y) the Owner fails to comply with any of Owner's obligations under the Contract Documents, or (z) Company discovers any unresolved Owner Obligations at the Project location. Alternatively to termination of the Contract Documents, Company may discontinue the Project pending resolution of the Owner Obligations or cure of the Contract Documents breach, the whole at Owner's sole cost and expense. Without limiting any of Owner's obligations under the Contract Documents, it shall be Owner's obligation to take all measures necessary, at Owner's sole cost and expense, for the Project location to be safe, clean and secure for Company workers at all times. Should Company, in its discretion, deem Project location unsafe or hazardous for its workers, it shall be entitled to immediately suspend execution of Project until the situation is resolved to its satisfaction by Owner at Owner's sole cost and expense or to terminate the

Contract Documents by written notice to Owner. In all termination or suspension instances by Company in accordance with the terms hereof, Owner shall pay Company on demand for all work performed together with all material supplied or ordered by Company to or for Owner up to termination/suspension date. Upon termination/suspension, the Time of Payment for work performed and material ordered up to termination/suspension date will be accelerated with such amounts becoming immediately due from Owner to Company.

19. **Limitation of Liability.** Company, including any of past, current and future affiliates, employees, representatives, directors, officers, managers, members, shareholders, successors, partners or contractors (collectively, the "Company Group") shall not be liable for any damages, prejudice or injury of any kind or nature whatsoever not directly attributable to any such member of the Company Group, including all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including reasonable attorneys' fees ("Losses"), including Losses to anyone or anyone's property arising from the Project or Agreement. Without limiting the foregoing, the Company Group shall not have liability for Losses relating to (a) current, past or future presence of mold or other hazardous substance at the Project location, (b) any pre-existing condition at Project location, or (c) any slip and fall or accidents and injuries in any tub or shower installed by Company.

In addition, the Company Group shall not be liable under the Agreement to anyone, including without limitation, the Owner, for any consequential, incidental, indirect, exemplary, special or punitive damages, including any damages for business interruption, loss of use, revenue or profit, whether arising out of breach of contract, tort (including negligence) or otherwise, regardless of whether such damages were foreseeable and whether or not such member of the Company Group was advised of the possibility of such damage. IN NO EVENT WILL THE COMPANY GROUP'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THE AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE TOTAL OF THE AMOUNTS PAID BY THE OWNER TO COMPANY PURSUANT TO AGREEMENT. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE FOREGOING LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

IF COMPANY IS UNABLE TO COMPLETE THE PROJECT FOR ANY REASON UNRELATED TO OWNER OR THE PRE-EXISTING CONDITION OF PROJECT LOCATION, COMPANY'S LIABILITY WILL BE LIMITED TO A REFUND OF OWNER'S DEPOSIT. COMPANY CANNOT BE HELD RESPONSIBLE FOR CLAIMS OF INCONVENIENCE OR RELATED LOSSES.

IF COMPANY IS UNABLE TO COMPLETE THE PROJECT FOR ANY REASON RELATED TO OWNER OR THE PRE-EXISTING CONDITION OF PROJECT LOCATION, COMPANY SHALL HAVE NO LIABILITY WHATSOEVER AND SHALL BE ENTITLED TO RETAIN THE OWNER'S DEPOSIT IN ADDITION TO ANY OTHER RIGHT IT MAY HAVE UNDER THE CONTRACT DOCUMENTS, AT LAW OR IN EQUITY.

Company provides no additional warranty on the Other Products.

TO THE EXTENT PERMITTED BY LAW, THE WARRANTIES EXPRESSLY STIPULATED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXCEPT THOSE WARRANTIES THAT MAY NOT BE EXCLUDED BY APPLICABLE LAW. TO THE EXTENT PERMITTED BY LAW, COMPANY HEREBY EXCLUDES AND DISCLAIMS, FOR ITSELF AND ITS AFFILIATES, PUNITIVE, SPECIAL, INCIDENTAL AND CONSEQUENTIAL DAMAGES ARISING FROM OR RELATING TO ANY BREACH OF ANY WARRANTY APPLICABLE TO THE PRODUCTS OR OTHER PRODUCTS. NO PERSON IS AUTHORIZED TO MAKE ANY REPRESENTATION OR OTHER WARRANTY ON OR ABOUT THE PRODUCTS OR OTHER PRODUCTS THAT IS INCONSISTENT WITH, OR DIFFERENT FROM, THE BF MANUFACTURER WARRANTY OR THE OTHER PRODUCTS WARRANTIES.

Some states or provinces do not allow the limitation of warranty rights or the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you. Nothing herein is intended to limit or exclude warranties that may not be limited or excluded under applicable law. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state (or province, as applicable).

Company's Limited Installation Services Warranty. Company expressly warrants the installation (the "**Company Limited Installation Services Warranty**") to be free from material defects in workmanship for twelve (12) months from the completion date. During this 12-month warranty period, and within reasonable time after receiving notice from you of a Company Limited Installation Services Warranty claim, Company may choose, at its sole option, to (A) correct or replace each defect, or (B) refund, in full or in part, the cost of installation to you; provided however, that all warranties are voided if (i) anyone other than an authorized Company installer performs

work upon or otherwise modifies or tampers with, any Products or Other Products provided under this Agreement, or (ii) you fail to pay the Contract Price to Company as provided in this Agreement. The Company Limited Installation Services Warranty is the sole and exclusive warranty on the installation. Company provides no additional warranty on the installation.

THE REMEDIES DESCRIBED ABOVE ARE YOUR SOLE AND EXCLUSIVE REMEDIES AND COMPANY'S ENTIRE LIABILITY FOR ANY BREACH OF THIS COMPANY LIMITED INSTALLATION SERVICES WARRANTY. COMPANY'S LIABILITY UNDER THIS COMPANY LIMITED INSTALLATION SERVICES WARRANTY SHALL UNDER NO CIRCUMSTANCES EXCEED THE ACTUAL AMOUNT PAID BY YOU FOR THE DEFECTIVE PRODUCT OR SERVICE. TO THE EXTENT PERMITTED BY LAW, THIS COMPANY LIMITED INSTALLATION SERVICES WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXCEPT THOSE WARRANTIES THAT MAY NOT BE EXCLUDED BY APPLICABLE LAW.

Company is not, under this Company Limited Installation Services Warranty or otherwise, liable for any damage resulting from normal wear and tear, misuse, abuse, neglect or improper or incorrectly performed maintenance or repair, including failure to follow the applicable care and cleaning instructions.

A Company Limited Installation Services Warranty claim may be made by contacting your location using the contact information on the Order. Proof of purchase (original sales receipt or purchase contract) must be made available for all warranty claims unless the purchaser has registered the Products with Company Group. This Company Limited Installation Services Warranty applies only to installation services performed in the United States or Canada.

TO THE EXTENT PERMITTED BY LAW, ANY IMPLIED WARRANTY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, IS LIMITED TO THE STATUTORY PERIOD OR THE DURATION OF THIS COMPANY LIMITED INSTALLATION SERVICES WARRANTY, WHICHEVER IS SHORTER. Some states/provinces do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you. Nothing herein is intended to exclude or modify any implied warranties of merchantability and fitness for a particular purpose to the extent that they cannot be excluded or modified under a particular state/province law.

TO THE EXTENT PERMITTED BY LAW, COMPANY SHALL NOT BE LIABLE FOR ANY PUNITIVE, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHETHER ARISING OUT OF BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, TORT, OR OTHERWISE. COMPANY IS NOT, UNDER THIS COMPANY LIMITED INSTALLATION SERVICES WARRANTY OR OTHERWISE, LIABLE FOR ANY DAMAGE RESULTING FROM NORMAL WEAR AND TEAR, MISUSE, ABUSE, NEGLECT OR IMPROPER OR INCORRECTLY PERFORMED MAINTENANCE OR REPAIR, INCLUDING FAILURE TO FOLLOW THE APPLICABLE CARE AND CLEANING INSTRUCTIONS. Nothing herein is intended to exclude or modify any remedies for breach of warranty to the extent that they cannot be excluded or modified under a particular state/province law.

This Company Limited Installation Services Warranty gives you specific legal rights, and you may also have other rights which vary from state/province to state/province.

If you have any questions regarding technical support, or the Company Limited Installation Services Warranty, please call, mail or email us as provided on the order.

THIS WARRANTY SECTION MAY BE FURTHER INFORMED BY YOUR STATE (PROVINCE) SUPPLEMENT IF ANY. SEE THE ATTACHED SUPPLEMENT FOR ANY ADDITIONAL RIGHTS OR INFORMATION.

21. **Integration and Severability.** The Contract Documents contain the entire agreement between the parties and supersede all prior oral or written understandings. Should any part of the Contract Documents be found invalid for any reason, such a determination will not affect the validity of any remaining portion of the Contract Documents, and the invalid provision of the Contract Documents will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision. In the event of any conflict between the Order, the State Supplement, the Terms and Conditions, a Change Order, and any separate warranty information, the following order of precedence will govern: (i) first, the Order considering any revisions within a Change Order; (ii) second, the State Supplement; and (iii) third, the Terms and Conditions considering any separate warranty information. Capitalized terms used in the Order, the State Supplement, the Change Order, and any separate warranty information, without a definition in the Order, the State Supplement, the Change Order, and any separate warranty information will have the meaning ascribed to such terms in the Terms and Conditions; however, capitalized terms used in the Order, the State Supplement, and the Change Order which are neither defined within the Terms and Conditions nor the Order, the State Supplement, the Change Order, and any separate warranty information are used for style and convenience and do not have meanings defined within the Terms and Conditions nor the Order, the State Supplement, the Change Order, and any separate warranty information.

22. **Choice of Law.** The Agreement will be governed and construed in accordance with the laws of the State where the Project is physically located without regard to its conflicts of laws provisions. For any disputes not subject to arbitration, Owner irrevocably submits to the exclusive jurisdiction and venue of the state and federal courts in the State where the Project is physically located, for the resolution of any such dispute.

23. **Arbitration of Disputes**. Omitted intentionally.

24. **Liens**. Any contractor, subcontractor, or material supplier who provides home improvement goods and services and is not paid may have a claim against you, which may be enforced against your property in accordance with the applicable lien laws in order to secure payment. If you make all payments as required under this Agreement, no security interest will be placed against your property by Company.

25. **Electronic Communication for Customer Feedback.** From time to time, Company or an affiliate, directly or through a third-party strategic partner or service provider, may wish to contact you at the email, address, home phone number, or cell phone number set forth on the Order. Company or an affiliate may also wish to contact you through your private social media messaging channel (if any). You hereby authorize Company or an affiliate, or any Company third party strategic partner or service provider, to use your email, address, home phone number, cell phone number, or social media messaging channel to communicate with you by email, phone, SMS, or social media messaging for the purpose of marketing, improving, and obtaining your feedback regarding Company's and its affiliates' Finished Products and services, and conducting customer research and satisfaction surveys.

26. **Electronic Signatures.** Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature

Right to Cancel

YOU, THE CONSUMER, MAY CANCEL THIS TRANSACTION AT ANY TIME PRIOR TO MIDNIGHT OF THE THIRD BUSINESS DAY AFTER THE DATE OF THIS TRANSACTION. SEE THE ATTACHED NOTICE OF CANCELLATION FORM FOR AN EXPLANATION OF THIS RIGHT.

You are **NOT** allowed a three day right to cancel in the following situations:

1. Emergencies: If you have initiated the contact *and* you need the goods or services to meet an emergency, you are not entitled to a three day right to cancel. In such cases, Illinois law requires you, the consumer, to furnish the home repair contractor with a separate dated and signed personal statement in your own handwriting describing the emergency situation and expressly acknowledging and waiving your right to cancel within three business days.

2. Prior Contact by Consumer: You are not entitled to a three day right to cancel if you negotiate the terms of your home repair agreement during an earlier visit to the retail business where the goods are displayed or the services are offered. This exception holds true even if you sign the final written agreement in your home. You also are not entitled to a three day right to cancel if you conduct and consummate the transaction entirely by mail or phone, without any other contact between you and the home repair contractor.

Senior Citizen Right to Cancel
(815 ILCS 513/22)

A person age 65 or older who purchases home repair or remodeling services from an uninvited solicitor may cancel any contract with a person engaged in home repair or remodeling by notifying that person within 15 full business days following the day on which the contract was signed if the agreement for the home repair or remodeling was made at the home of the purchaser.

Home Repair: Know Your Consumer Rights

As you plan for your home repair/improvement project, it is important to ask the right questions in order to protect your investment. The tips in this fact sheet should allow you to protect yourself and minimize the possibility that a misunderstanding may occur.

AVOIDING HOME REPAIR FRAUD

Please use extreme caution when confronted with the following warning signs of a potential scam:

(1) Door-to-door salespersons with no local connections who offer to do home repair work for substantially less than the market price.

(2) Solicitations for repair work from a company that lists only a telephone number or a post-office box number to contact, particularly if it is an out-of-state company.

(3) Contractors who fail to provide customers references when requested.

(4) Persons offering to inspect your home for free. Do not admit anyone into your home unless he or she can present authentic identification establishing his or her business status. When in doubt, do not hesitate to call the worker's employer to verify his or her identity.

(5) Contractors demanding cash payment for a job or who ask you to make a check payable to a person other than the owner or company name.

(6) Offers from a contractor to drive you to the bank to withdraw funds to pay for the work.

CONTRACTS

(1) Get all estimates in writing.

(2) Do not be induced into signing a contract by high-pressure sales tactics.

(3) Never sign a contract with blank spaces or one you do not fully understand. If you are taking out a loan to finance the work, do not sign the contract before your lender approves the loan.

(4) Remember, you have 3 business days (or as provided in Section 22 if you are age 65 or older) from the time you sign your contract to cancel any contract if the sale is made at your

home. The contractor cannot deprive you of this right by initiating work, selling your contract to a lender, or any other tactic.

(5) If the contractor does business under a name other than the contractor's real name, the business must either be incorporated or registered under the Assumed Business Name Act. Check with the Secretary of State to see if the business is incorporated or with the county clerk to see if the business has registered under the Assumed Business Name Act.

(6) Homeowners should check with local and county units of government to determine if permits or inspections are required.

(7) Determine whether the contractor will guarantee his or her work and products.

(8) Determine whether the contractor has the proper insurance.

(9) Do not sign a certificate of completion or make final payment until the work is done to your satisfaction.

(10) Before you pay your contractor, understand that the Mechanics Lien Act requires that you shall request and the contractor shall give you a signed and notarized written statement (known as a "Sworn Statement") that lists all the persons or companies your contractor hired to work on your home, their addresses along with the amounts about to be paid, and the total amount owed after the payment to those persons or companies.

Suppliers and subcontractors have a right to file a lien against your home if they do not get paid for their labor or materials. To protect yourself against liens, you should demand that your contractor provide you with a Sworn Statement before you pay the contractor. You should also obtain lien waivers from all contractors and subcontractors if appropriate. You should consult with an attorney to learn more about your rights and obligations under the Mechanics Lien Act.

Disclaimer: The contents of this paragraph are required to be placed in the pamphlet for consumer guidance and information only. The contents of this paragraph are not substantive enforceable provisions of the Home Repair and Remodeling Act and are not intended to affect the substantive law of the Mechanics Lien Act.

BASIC TERMS TO BE INCLUDED IN A CONTRACT

(1) Contractor's full name, address, and telephone number. Illinois law requires that persons selling home repair and improvement services provide their customers with notice of any change to their business name or address that comes about prior to the agreed dates for beginning or completing the work.

(2) A description of the work to be performed.

(3) Starting and estimated completion dates.

(4) Total cost of work to be performed.

(5) Schedule and method of payment, including down payment, subsequent payments, and final payment.

(6) A provision stating the grounds for termination of the contract by either party. However, the homeowner must pay the contractor for work completed. If the contractor fails to commence or complete work within the contracted time period, the homeowner may cancel

BATH FITTER

and may be entitled to a refund of any down payment or other payments made towards the work, upon written demand by certified mail.

(7) A provision stating the grounds for termination of the contract if you are notified by your insurer that all or any part of the claim or contract is not a covered loss under the insurance policy, you may cancel the contract by mailing or delivering written notice to (name of contractor) at (address of contractor's place of business) at any time prior to the earlier of midnight on the fifth business day after you have received such notice from your insurer or the thirtieth business day after receipt of a properly executed proof of loss by the insurer from the insured. If you cancel, any payments made by you under the contract will be returned to you within 10 business days following receipt by the contractor of your cancellation notice. If, however, the contractor has provided any goods or services related to a catastrophe, acknowledged and agreed to by the insured homeowner in writing to be necessary to prevent damage to the premises, the contractor is entitled to the reasonable value of such goods and services.

Homeowners should obtain a copy of the signed contract and keep it in a safe place for reference as needed.

To file a complaint against a roofing contractor, contact the Illinois Department of Financial and Professional Regulation at 312-814-6910 or file a complaint directly on its website.

IF YOU THINK YOU HAVE BEEN DEFRAUDED OR YOU HAVE QUESTIONS

If you think you have been defrauded by a contractor or have any questions, please bring it to the attention of your State's Attorney or the Illinois Attorney General's Office.

Navigating Employee Performance
Traci Austin, Elevated Talent Consulting

Navigating Employee Performance is a practical, hybrid workshop for supervisors and HR leaders who need a repeatable rhythm for goals, feedback, and accountability. Participants learn a clear performance cycle, how to use proactive and reactive coaching, and how to deliver feedback that builds trust rather than tension. Traci Austin uses her two decades of experience as a certified HR and Talent Optimization professional to cover calibrated reviews, bias awareness, and a quarterly performance preview linked to agreed upon goals —so teams know exactly what 'good' looks like and how to achieve it. The session includes interactive exercises, conversation templates, and a take-home worksheet.

Objectives

- ✓ Develop a simple performance cycle and monthly/quarterly conversation templates
- ✓ Adopt an accountability framework ("how much, of what, by when") to set clear expectations and document commitments
- ✓ Gain practical tools for tough talks and bias reduction

FRIDAY, FEBRUARY 20, 2026

9:00 am – 12:00 pm
Customer Service as Exceptional Hospitality
Don Weiss, NIU

Townships function as front-line service institutions built around access and connection, shaping how residents experience government every day. Drawing on decades of local government and community engagement experience, Don Weiss explores how townships operate as modern service platforms. Through real-world examples, participants will learn how townships can intentionally design customer experiences that are effective, efficient, equitable, economic, and easy to navigate, and how experience directly influences resident satisfaction and confidence in local government. By understanding customer service as intentional design rather than an afterthought, participants will gain practical insight into how collaboration, clarity, and coordination improve outcomes for both residents and the organizations that serve them.

Objectives

- ✓ Learn how to strengthen resident trust by treating customer service as intentional public service design
- ✓ Gain insights on coordinating services to create clearer pathways for residents

1:00 pm – 4:00 pm
Next Level Social Media for Townships
Jennie Vana, CMAP

Information overload. Short attention spans. Apathy. Distrust. These factors make it very hard for organizations to communicate effectively - especially townships who are often doing more with less resources. Effective communication requires a trusted sender and clear, digestible messages, tailored for diverse audiences that connects the "why" and answers the "so what?" Who do you want to reach? What do you want your audience to do? How will you reach them? Your channel/platform, tone, words, length and style all matter. Communications expert Jennie Vana will draw from 30 years of leadership at the regional, county and municipal levels, guiding teams that have earned numerous awards for their effective and innovative communication projects. She currently serves as the Deputy of Communications and Engagement for the Chicago Metropolitan Agency for Planning (CMAP).

Objectives

- ✓ Build your communications muscle for stronger impact on social media
- ✓ Learn best practices, tips and strategies, including storytelling, Smart Brevity, plain language, WIIFM, active voice and more
